

critical theory after habermas pdf

This is an amazing book. It goes through the historical case for Jesus' resurrection. It uses a "minimal facts" approach focusing on the evidence that Biblical critics and Bible lovers all agree on (of those who've actually seriously studied the evidence).

A statement, hypothesis, or theory has falsifiability (or is falsifiable) if it is contradicted by a basic statement, which, in an eventual successful or failed falsification, must respectively correspond to a true or hypothetical observation. For example, the claim "all swans are white" is falsifiable since it is contradicted by this basic statement: "In 1697, during the Dutch explorer Willem ...
