

cst 100 principles of pdf

Ethical communication is an exchange of responsible and trustworthy messages determined by our moral principles. Ethical communication can be enacted in written, oral, and non-verbal communication. In public speaking, we use ethical standards to determine what and how to exchange messages with our audience.

Defining Ethics | CST 100 Principles of Public Speaking

T-Building, T309, station #7 Course Description: This course "applies theory and principles of public address with emphasis on preparation and delivery." It is designed to introduce you to the basic elements of communication, to provide practical experience in the organization, preparation (outlining and organizing) and presentation of speeches, and to improve critical listening skills.
