

daisy and the magic pdf

Daisy is a feminine given name, commonly thought to be derived from the name of the flower. The flower name comes from the Old English word *dǣgeseage*, meaning "day's eye". The name Daisy is therefore ultimately derived from this source. Daisy is also a nickname for Margaret, used because Marguerite, the French version of that name, is also a French name for the oxeye daisy.

The high frequency word lists contain the words found in children's reading books in order of the frequency in which they occur. If students were to learn just the words contained on the very first list (words 1 to 100), they will have learned half of all the words they will come across in children's reading materials! They are especially good lists for ELL and ELD students and are great to ...
