

### **data processing policies and pdf**

Commercial data processing involves a large volume of input data, relatively few computational operations, and a large volume of output. For example, an insurance company needs to keep records on tens or hundreds of thousands of policies, print and mail bills, and receive and post payments.

### **Data processing - Wikipedia**

The Data Protection Directive (officially Directive 95/46/EC on the protection of individuals with regard to the processing of personal data (PII (US)) and on the free movement of such data) was a European Union directive adopted in 1995 which regulates the processing of personal data within the European Union. It is an important component of EU privacy and human rights law.
