6 Agile Contracts Primer necessarily trust the expectations of the anticipated outcome and is mandated to deal with most anticipated outcomes"good and bad. The third value of the Agile Manifesto is customer collaboration over contract negotiation. Naturally, when first reading this, a contract lawyer will take note, react, and perhaps think, "That's nice,

agile contracts primer

This site aims to give you a better understanding about the collaborative process by combining the theories of collaboration models and design process. The site illustrates a structure that helps a designer to navigate through the collaborative project and manage it. It also helps you to decide which kind of collaboration you need for the different stages of the project.

Designing Collaboration | How to structure, design and

Planning and designing for pedestrians: guidelines

For digital content to deliver on its potential, it must be easy to find, shareable, and available for all channels and devices. This requires careful upfront attention to back-end content strategy and its linkages with design and development. However, back-end content strategy is an emerging and complex area of practice with few useful resources for practitioners, and many organizations are ...
