

dictionary of indian alchemy pdf

The start of Western alchemy may generally be traced to ancient and Hellenistic Egypt, where the city of Alexandria was a center of alchemical knowledge, and retained its pre-eminence through most of the Greek and Roman periods. Here, elements of technology, religion, mythology, and Hellenistic philosophy, each with their own much longer histories, combined to form the earliest known records ...

Alchemy - Wikipedia

White people is a racial classification specifier, used mostly and often exclusively for people of European descent. The term has at times been expanded to encompass certain persons of Middle Eastern, North African, and South Asian descent, persons who are often considered non-white in other contexts.
