Messiah is a third-person shooter video game developed by Shiny Entertainment and published by Interplay. The game was promoted for its tessellation technology, which was claimed to drastically increase or reduce the number of polygons based on the speed of the system running the game. Messiah received a mixed response from reviewers.

Although each stream looks alike outwardly, they are vastly different. The one on the left is known in our literature as the Sons of Cain. They are full of positive energy and are the craftsmen of the world, the three-messengers, who carve their way through life, rather enjoying the obstacles which they know strengthen the character; they

A snuff film, or snuff movie, is "a movie in a purported genre of movies in which a person is actually murdered or commits suicide". It may or may not be made for financial gain, but is supposedly "circulated amongst a jaded few for the purpose of entertainment". Some filmed records of executions and murders exist, but in those cases, the death was not specifically staged for financial gain or ...

Since ancient times the world has had its list of (usually seven) wonders. In antiquity, the Great Pyramid of Giza (the only wonder from the original list still standing), the statue of Zeus at Olympia, the Colossus of Rhodes (a new, gigantic, version of which is being built today), and others were among the occupants of the list. Over time, the world's wonders changed depending on the ...

The Bolsheviks had their own ten commandments and, like the church, they also mocked their opponents.

The totalitarianism of the church belongs to the past but if the church should ever regain its former power, its atrocities would probably be repeated.
