Housing is Health Care The primary and essential function of housing, to provide a safe and sheltered space, is absolutely fundamental to the people's health and well being.

Housing is Health Care - Home | National Health Care for

Shelter is a registered charity that campaigns to end homelessness and bad housing in England and Scotland. It gives advice, information and advocacy to people in need, and tackles the root causes of bad housing by lobbying government and local authorities for new laws and policies to improve the lives of homeless and badly housed people.

A home, or domicile, is a living space used as a permanent or semi-permanent residence for an individual, family, household or several families in a tribe. It is often a house, apartment, or other building, or alternatively a mobile home, houseboat, yurt or any other portable shelter. A principle of constitutional law in many countries, related to the right to privacy enshrined in article 12 of ...
